

Specialist

We are at the forefront of panel manufacture using Dibond® ACM. We have trained with the manufacturer and in January 2016 began a nationwide roll out programme for Hyundai Motors for 160 car dealerships across the UK. The entire building fascias, totem signs and reveal details are fabricated from specially coloured Dibond® .

Hyundai 2016 Brand roll out

We work closely with structural engineers, building cladding companies and designers to produce stunning landmark signage on buildings such as HSBC, JP Morgan and EMA at Canary Wharf.
