

TIMELESS
WOODEN WINE CABINETS

D E F Y I N G C O N V E N T I O N

A TOUCH OF
STYLE
TO YOUR
ROOM...

Three timeless lines

Three lines for a new understanding of the integrated refrigeration concept.

Our strength is born not only from the details and the use of the most exquisite materials, like solid wood and expanded polyurethane. But also from the application of cutting edge technologies such as the ventilated refrigeration that ensures a uniform air recycling, the touch screen display and the RGB led illumination to personalize the colour and the effects of the internal light.

One product for multiple uses: from the conservation of fresh

and frozen food to the refrigeration of wine and the aging of cured meats and cheese and the preservation of cigars. Thanks to its double engines, it's possible to manage two different zones inside the same apparatus.

In addition, maximum personalization of colours, finishes and forms allows us to meet the tastes and needs of each customer and to adapt our ice boxes to any residential or commercial background.

CLASSIC LINE

MODERN LINE

CONTEMPORARY LINE

CLASSIC LINE

The elegance of solid wood marries the best technology for the purpose of refrigeration, creating a rustic style mixture of which the soft and round curves perfectly adapt even to modern backgrounds producing a timeless contrast in a unique style.

The natural, dark or pickled colours recall an antique taste reminiscent of the kitchens of our grandmothers where the big cupboards, similar to authentic trunks, safeguarded precious treasures.

Classic inspiration,
innovative concept

Model: a single and two-compartment solid oak cabinet insulated with high-density expanded polyurethane and internal siding with thermoformed monolithic plastic shell for food.

Measures: cm 93x70x220 (single), cm 170x73x220 (two-compartment).

Design: rounded cap and arch between the legs.

Colour options: decapé (pickled), natural and dark.

Available finishes: decapé (pickled) oak and natural wood.

Details: chromed handle with vintage lock. Chromed vintage external hinges. RGB led light. Rounded corners at the bottom.

**CHARMING
ANTIQUE
FLAVOUR
THAT LIVES IN
EVERY DETAIL**

MODERN LINE

This is a style which knows how to create a perfect balance of forms with a vintage mood in every setting. This is the spirit of the Modern line standing out with the straight outline of the cape and arched between the legs; a harmonious meeting of classic and modern to create a timeless charm and appeal. Functionality in a unique design,

maximum care to detail, to the selection of the best materials and the best performing technologies, as well as a great personalization of finishes, colours and options. These refrigeration cabinets present a concentration of power, innovation and versatility to ensure maximum performance and durability.

Retrò atmosphere,
modern emotions.

Model: a two-compartment solid oak cabinet insulated with high-density expanded polyurethane and internal siding with thermoformed monolithic plastic shell for food.

Measures: cm 167x72x207.

Design: straight cap and arch between the legs.

Colour options: white, yellow, blue, green and red.

Available finishes: varnished, decapé (pickled) oak and natural wood.

Details: chromed handle with vintage lock. Chromed vintage external hinges. RGB led light. Rounded corners at the bottom.

**REDEFINE
YOUR SPACE
WITH THE
BEST DESIGN**

CONTEMPORARY LINE

Sturdiness, squared contours and Inox steel mouldings are the distinctive features of this line presenting a lively design and a decisive personality which knows how to offer a touch of style to all kinds of settings. The bright and trendy colours merge elegantly with all kinds of furniture and create a warm and welcoming mood.

The accuracy and variety of the equipment, together with the wide personalization possibilities and the high performances are distinguishing these refrigeration cabinets from the others. This line features an accurate ventilation and the humidity levels necessary for the perfect conservation and aging of food.

Vintage soul,
contemporary determination.

Model: a two-compartment solid oak cabinet insulated with high-density expanded polyurethane and internal siding with thermoformed monolithic plastic shell for food.

Measures: cm 166x71x206.

Design: straight cap and Inox steel mouldings on the doors.

Colour options: white, black, yellow, blue, green and red.

Available finishes: varnished, decapé (pickled) oak and natural wood.

Details: chromed handle with vintage lock. Chromed vintage external hinges. RGB led light. Rounded corners at the bottom.

**THE PERFECT
COMBINATION OF
ELEGANCE AND
CHARACTER**

Refrigeration System

Conservation of fresh food (NT- Normal Temperature); +0°/+16°C

Conservation of frozen food (LT-Low Temperature); -10°/-20°C

Refrigeration of wines (WC – Wine Cooler); +8°/+18°C
aging of cured meats and cheese

THE LANGUAGE OF COLD SPEAKS PURE AVANT-GARDE

Heating system with heat recovery positioned around the door frame to eliminate the condensation.

USB to update the software.

Two independent refrigeration groups.
To manage in the same fridge two different configurations: Ex: NT e Wine Cooler.

Magnetic gaskets.

Internal fan to maximum efficiency.

Automatic defrosting with heat recovery "No Frost" system.

Super Cool function.

Electronic components tailored.

Tone and intensity setting for the light from the touchscreen panel.

Single or double doors overlapping each compartment, blind and/or glazed.

Air Booster: controllo di ventilazione elettronico "intelligente".

Tempered glass with double chambers, heated in the LT version.

Electronic control of temperature, humidity and lights through the touchscreen digital control panel.

Automatic evaporation of condensation.

Internal RGB led light with manual, programmed or automatic lighting.

Rollaway evaporator to optimize spaces.

Your fridge as you prefer

Wine Corner support all your desires, it gives you the opportunity to configure your fridge according to your needs.

Mood, performance, aesthetic, nuance: you can create your ideal composition.
