

# HOLIDAY TIPS

KEEPING YOUR HOME SAFE WHILE YOU'RE AWAY

6X

Ensure all windows and doors are locked. You are 6x more likely to be burgled without double door and window locks.

If possible, leave your car behind and run lights and radios on timer switches to give the impression that you're still at home.

Make your property less attractive to intruders. Hide your valuables by using venetian blinds or privacy curtains.

Don't share holiday snaps on social media until you're back home: over 48% of burglary victims know the offender.

Don't leave spare keys in obvious places. Consider leaving them with a friend or trusted neighbour instead.

Arm your house alarm before you leave. Alarmed houses are around 65% less likely to be targeted by criminals.

## DID YOU KNOW?
