

CYCLE RACK

4 BAY & 6 BAY

LMCS4B 4 Bay Cycle Rack

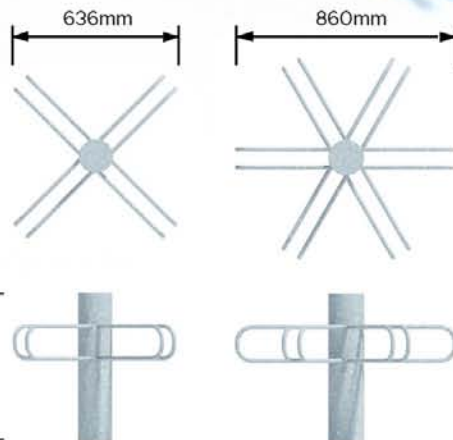

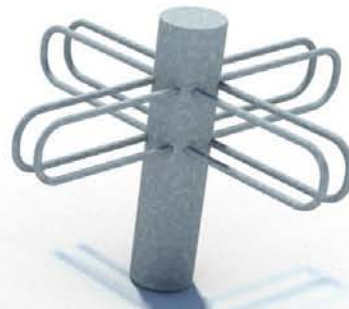

LMCS6B 6 Bay Cycle Rack

6 Bay Cycle Rack

Dimensions are in mm. Do not scale from drawing.

4 Bay Cycle Rack

Our ground-fixed cycle racks are ideal for storing bikes if space is tight and there is no wall to attach a wall-mounted rack. Available in either a four or six bay option.

All our steel street furniture can be in any RAL colour. We have our own in-house powder coating facility where we incorporate additional processes ensuring durability of the coating and therefore value for money over time.

We only use the very best quality British steel and offer a 25 year guarantee.
