M-FLOOD-HINGE Hinged Floodlight

M-FLOOD Floodlight

Also available with multiple lights upon request.

6700 mm

Manufactured from steel and powder coated to a colour of choice, we design and manufacture either fixed or mid hinged floodlighting. This item can be purchased as a standalone product or can be included as part of a bespoke Multi Use Games Area.

Vica can also design floodlighting as an integrated option into your bespoke MUGA – please contact us for details.
