CIRCULAR PICNIC BENCH

LMCPB Circular Picnic Bench

Dimensions are in mm.
Do not scale from drawing.

Our circular picnic bench is a strong and sturdy unit designed to seat eight people around one table.

All our steel street furniture can be in any RAL colour. We have our own in-house powder coating facility where we incorporate additional processes ensuring durability of the coating and therefore value for money over time.

We only use the very best quality British steel and offer a 25 year guarantee.
