

# METAL FLAT BAR PICNIC TABLE WITH WHEELCHAIR ACCESS

LMFPTWA100 Flat bar picnic table with wheelchair access

Dimensions are in mm.  
Do not scale from drawing.

Our picnic table is a strong and sturdy unit designed to seat six people, including an inclusive space for a wheelchair.

All our steel street furniture can be in any RAL colour. We have our own in-house powder coating facility where we incorporate additional processes ensuring durability of the coating and therefore value for money over time.

We only use the very best quality British steel and offer a 25 year guarantee.
