

METAL THURNSCOE SEAT WITH BACK

LMTRBS Thurnscoe seat

1810mm.

Dimensions are in mm.
Do not scale from drawing.

The single front leg design of our seats allows unrestricted access for mowing and cleaning.

All our steel street furniture can be in any RAL colour. We have our own in-house powder coating facility where we incorporate additional processes ensuring durability of the coating and therefore value for money over time.

We only use the very best quality British steel and offer a 25 year guarantee.
