

COMBI PULL DOWN CHALLENGER & POWER PUSH

WD-155CT Combi Pull Down Challenger & Power Push

STRENGTH EXERCISES

- UPPER BODY
- CHEST
- ARMS
- BACK

Our fitness equipment provides opportunities for users to enjoy exercise outdoors. The range offers a wide range of activities, including upper and lower exercises through cardiovascular training, flexibility and strength training.

These are an excellent edition to any public space to encourage good health and wellbeing, without the pressures of a private gym environment.
