Do not scale from drawing.

Street Furniture is another example of how we work to satisfy client needs. With a sleek finish, this bollard is ideal for a modern and minimalist designed project. Available in a number of different heights and diameters and is also available in Grade 316 to help resist corrosion.

All our steel street furniture can be in any RAL colour. We have our own in-house powder coating facility where we incorporate additional processes ensuring durability of the coating and therefore value for money over time.
