SGBT101 Grind Box Tiered – Can be manufactured to the dimensions and configuration of your choice.

Lightmain offer a one-stop solution for the design and manufacture of our skate parks. We use fast and super strong, professional grade **SkatelitePro™** which is the supreme riding surface for outdoor skateparks. The solid material withstands the constant punishment inflicted by determined riders. Our framework is constructed using the highest quality british steel and then hot dipped galvanised, to ensure longevity and structural integrity over time.
