

CYCLE RACK

5 BAY WALL MOUNTED

5 Bay Cycle Rack Wall Mounted

Dimensions are in mm. Do not scale from drawing.

Our wall-mounted cycle racks are ideal for storing bikes if space is tight. Available in a range of different lengths.

All our steel street furniture can be in any RAL colour. We have our own in-house powder coating facility where we incorporate additional processes ensuring durability of the coating and therefore value for money over time.

We only use the very best quality British steel and offer a 25 year guarantee.
