

# PREMIUM CRICKET SURFACING FOR SCHOOLS

Notts Sport offers a premium artificial cricket wicket, the NGU NottsBase System, approved by the ECB and designed for dependable performance across all playing levels.

From primary school beginners to advanced players, we offer tailored options to meet the needs of every cricket programme.

## JUNIOR FIXED WICKET

The **Junior Fixed Wicket** is perfect for primary schools and younger players, offering a safe and supportive environment for children to learn and enjoy cricket. Specifically designed with young players' safety and skill development in mind, this wicket provides a consistent playing surface that helps early learners build confidence and fundamental skills in the game.

## SENIOR WICKET

The **Senior Wicket** is ideal for players aged 11 to 18, offering a realistic and consistent bounce that supports skill development at various levels. Designed to accommodate the demands of competitive play and training, this wicket caters to a wide range of abilities, making it suitable for both aspiring and seasoned young cricketers looking to improve their game.

## SENIOR+ WICKET

The **Senior+ Wicket** is designed for players progressing through a cricket programme and looking to elevate their skills to the next level. This system is specifically enhanced for advanced training, helping seasoned players refine their techniques and sharpen their game.

## PORTABLE WICKET

The Notts Sport **Powerplay Instant Cricket Surface (PICS)** opens up incredible opportunities for coaching and recreational matchplay on almost any artificial turf and sprung wooden surfaces.

## OPERATING LEASE PROVISION

Notts Sport understands the need for budget flexibility. With our operating lease option, Fast Track Funding, you can spread the cost of your wicket over time, making investing in a top-quality facility easier without stretching your finances.
