

Services

Accountability - Integrity - Reliability

Revitalise Your Commercial Property with CCWC Cleaning Services

Is your commercial property marred by dirt and stains, diminishing its appeal to customers and clients? Look no further than our specialised cleaning services tailored to businesses like yours. At CCWC Services, we offer high-quality solutions to refresh and protect your property.

Pressure Washing Services:

We specialise in pressure washing for businesses of all sizes, on all Substrates. Our trained professionals use state-of-the-art equipment that is highly adjustable in temperature and pressure to ensure no damage to substrates whilst using eco-friendly cleaning solutions.

We remove tough stains, including dirt, grease, oil, and graffiti, restoring your property's appearance.

Pressure washing safeguards your property from damage caused by debris and buildup. Ideal for Pavements, Blockpaving, Carparks, Walls, Courtyards, Buildings and any outdoor areas.

Safety is paramount: Our experienced team ensures a secure cleaning environment.

PRESSURE WASHING

Steam Cleaning Services:

Customised solutions to preserve historical and architectural integrity.

Our Unique Doff steam cleaning system gently removes dirt, grime, organic material, paint and graffiti from delicate or historic surfaces. The only Solution that is approved by Local Authorities and Architects for Grade 2 Listed buildings, Cenotaphs, preserves surface integrity.

Restores insulation properties, reducing energy costs and enhancing comfort in more modern buildings.

At CCWC Services, we're committed to delivering high-quality cleaning solutions tailored to your specific needs. Don't risk damage to your delicate or historic surfaces with traditional methods. Contact us today to discover how our commercial cleaning services can revitalize your property's beauty and efficiency.

Additional Information:

We offer maintenance packages and flexible scheduling options.

Your satisfaction is our priority. We ensure a thorough cleanup after each service.
